Our awards night proved to be a success, and my thanks go out to all at Kingston Arts Centre/City Hall. I think you have a great team, and I found the process of organising the awards was made that much easier because of your collective help.

I look forward to working with you all next year.

Samoa Tsunami Appeal

On Saturday 7 November, we held a fund raising event for the above mentioned appeal at your premises. We wish to extend our heartfelt thanks and gratitude toward all your staff. When our workload for the event seemed overwhelming to us - we were assured all would go well and kept inspired and confident. This whole event was therapeutic for us. Your staff helped us every step of the way through this journey - and we will be eternally grateful.

I know every member of our extended families who helped us with this have been incredibly impressed by the service and friendliness extended toward us from your staff.

On behalf of Glen Huntly Primary School I would like to thank you for assisting, once again, with our annual concert. I would also like to praise the efforts of your Technical staff, who was extremely helpful to us, during the day rehearsal and the night performance. Very obliging and made every effort to accommodate our requests.

Thank you again for overseeing everything and we look forward to working with you again next year.

From everyone at "natyadarpan" and "Sunburnt Dreams" we'd like to say a big THANKS!

To all the staff at Kingston Arts Centre.

We've had a fantastic time performing at Kingston. Our audiences really loved the venue. It was a great opportunity to perform this play in an intimate and professional space.

We look forward to more opportunities to perform there in the future. Thanks for all your help and support.
